Re: Cabot Oil & Gas Corporation Response to EPA CERCLA Section 104(e)  
Request for Information, Dated January 6, 2012.

Dear Ms. Zia:

Cabot Oil & Gas Corporation provided an initial response to the above-referenced request for information on January 9, 2012, via correspondence from Ms. Amy Barrette of Fulbright & Jaworski L.L.P. Through Ms. Barrette, it then supplemented that response on January 10, 11, 12, and 13, 2012; I provided an additional supplement on February 3, 2012. This letter provides a further supplemental response - documents bates labeled CABOT-EPA 059617-111619. These include additional sampling data, certain QA/QC data (including Level 4 data), and EDD data in partial response to Request numbers 1 and 2. Please don't hesitate to contact me with any questions.

Very truly yours,

Bracewell & Giuliani LLP
